MASS CONVENTION

UNION DEMOCRACY

Conservative Citizens of Indiana, TO CONSIDER THE CRISIS OF THE COUNTRY.

In compliance with the generally expressed wish of the Democracy of Indiana, the true friends of Constitutional Liberty, the Democratic State Central Committee invite the people of the State, without regard to past party affiliations, who desire to "preserve the Constitution as

it is, and the Union as it was," to meet in MASS CONVENTION

Indianapolis, on Wednesday, the 30th day of July.

The object in assembling the people at this time is to take into consideration the new issues which have recently been forced upon the country by the party in power-measures which have DOWEN, STEWART & CO., wholesale and retail deal- no warrant in the Constitution, and which are opposed to the spirit and purposes of our institutions: while, in the language of President Polk, "war exists." to insist that its prosecution shall be confined to the policy solemnly set forth Chemicals, Paints, tane, Dyestuffs, Betame, Patent by Congress in July, 1861, that it is "not waged by Congress in July, 1861, that it is "not waged in the spirit of conquest or subjugation, nor for the purpose of overthrowing or interfering with the rights or institutions of the States, bu, to defend and maintain the supremacy of the Consti-R. dignity equality and rights of the several States dignity, equality and rights of the several States unimpaired," and to assure the Administration that a generous support will be given it, as the representative of the Government, in all necessary, prompt, and vigorous measures to overthrow armed rebellion against the Union, to sustain its legitimate authority and crush out Aboli tionism, which is equally hostile to the Constitu-

tion as Secessionism. The Committee are impressed with the neces-CAMPBELL & BOYLES, Book Binders and Blank Book Sity of the People assembling en masse at the

time proposed, for the following reasons: 1. The Administration, Congress and a recently so called "Union" Convention held in this State, have failed to announce what are the legitimate and appropriate means to put down the rebellion, and one and all have refused to even censure, much less condemn, the disunion schemes of the Abolitionists:

2. The so called Republican-Union Convention failed to repudiate the gross frauds and corruptions proven upon the party in power by Congressional investigating committees of its

3. Congress has adopted measures, such as the abolition of slavery in the District of Columbia. which, if constitutional, are ill-timed and unnecessary and calculated to create distrust in the minds of the loval citizens of the border slave States, and the country generally, as to the de-

signs of the Administration; 4. It has proposed to tax the people of the whole Union to pay for the slaves that States may see proper to emancipate, thus throwing additional burdens upon the productive industry of the non-slaveholding States, at a time, too, when every interest is called upon to contribute all in its power the means necessary for the prosecu-

And in proposing and adopting general schemes of emancipation and confiscation, in clear violation and derogation of the Constitution, inconsistent with the declared policy of the Government solemnly set forth by Congress in July. 1861, against the dictates of humanity and sound political economy, thereby "impairing the dignity, equality and rights of the several States."

INDIANAPOLIS, IND., MONDAY MORNING, JULY 21, 1862.

In order that the People, the source of power all constitutional governments, who sincerely desire to perpetuate the Union, as founded and administered by our patriotic fathers, may have the opportunity to condemn these unconstitutional measures; to express their sympathy and their determination to support the Administration in every legitimate effort to crush out treason, "where'er it may rear its head;" to "defend and maintain the supremacy of the Constitution," and to uphold the rights and institutions of all the States unimpaired; to say to those in authority, the servants of the people, what are the legitimate and appropriate means to put down this rebellion; to condemn fraud and corruption and all unconstitutional, illegitimate and unnecessary measures, calculated to weaken instead of strengthening a love and respect for the Union; to restore a wise, just, pure, equal and beneficent administration of the Government, such as the people desire; and to renew the pledge made by the last Democratic State Convention in behalf of the Democracy of Indiana, "That we will sustain, with all our energies, a war for the maintenance of the Constitution, and of the integrity of the Union under the Constitution; but we are opposed to a war for the emancipation of the negroes, or the subjugation of the Southern States," the Democratic State Central Committee, now ask them to assemble in mass convention.

All who desire to see the stars and the stripes float over every inch of American soil in liberty, fraternity and equality; all who insist that the Government shall have a fixed policy in the prosecution of the war, known to the whole country; all who sympathize with the sixty thousand sons of Indiana who have volunteered and are in the field to defend and maintain the Constitution and the Union, and who wish to see them relieved from their arduous duties and exposure of health and life in defense thereof, by a prompt suppression of the rebellion and the restoration of the Union not only in name but in essence; all who wish to preserve constitutional liberty, and the integrity of the Government under the Constitution, are invited to attend the proposed Convention and co-operate in the attainment of

While the gallant and patriotic Union men of Kentucky, and other border slave States, have devoted their efforts to preserve the Government as our fathers made it, will not the citizens of AYER'S CHERRY PECTORAL Indiana aid, by their counsels and their vote s these patriotic citizens in repelling and rolling back the tide of Southern and Northern treason purpose we should assemble, and for such a purof all good citizens.

Eminent speakers, true and tried patriots, from adjoining States, have been invited and may be AYER'S CATHARTIC PILLS. expected to address the Convention upon the momentous issues of the day.

By order of the Central Committee. GEORGE McOUAT, Chairman.
